Dear Tim:

The inspector was here today to inspect the windows you put in for us. He said you did a "good job".

We are very pleased with our new windows and was impressed with you and your workers professional attitude yet very pleasant to talk to all of you.

Thank you for the excellent job of installing our windows.

Sincerely,

Ron and Shurla Lunsford

Hello Mr. Tim--

It's Aubrey, the girl you saved that fateful Saturday near Clearwater. I just wanted to express my thanks once again for your generosity towards me when you put on my tire for me and my friends. Everyone I tell this story to are so surprised someone actually stopped and helped put on my tire for me. I don't remember if you said you were native to Florida or not, but at least in South Florida, people just don't DO that.

So once again, you have my thanks and I attached a photo of you, Nathan and Erica, so that you can always have a keepsake of the day you were a hero to us.

Your kindness will not be forgotten, and I hope I can share the help you gave me with someone else, someday.

May God bless you and keep you, and give you peace throughout your travels, Mr. Tim. If you're ever in Tallahassee, or need help sometime, don't hesitate to email us.

Take care, and THANK YOU!!!!

~Aubrey Iacobelli, Nathan, and Erica

And he also said, "It is finished! I am the Alpha and the Omega—the Beginning and the End. To all who are thirsty I will give freely from the springs of the water of life.

-Revelations 21:6

Regarding:  
Timothy Parks Construction Co.

This past April I had the need for extensive repair work to one framed exterior wall of my home. Mr. Parks gave me a reasonable estimate and he was awarded the job along with installing 3 new windows.

My experience with Mr. Parks and his crew has been outstanding! I would not hesitate to recommend this crew to anyone needing quality work, fast build time, cooperation and a willingness to ensure a fine job. Also they cleaned up their mess on a daily basis leaving no trash when the job was finished.

Please contact me if you feel the for need further information.
